Tax: _____

Total: _____

Ch. 6 Section 2

SALES RECEIPTS

- What is a sales receipt?
 - a list of all items bought, how many of each item, subtotal, tax, total purchase price, etc.
- What is it used for? (what does it show?)
 - proof of purchase
 - show customer prices/discounts
 - has info about store on it too
- Why are receipts important?
 - proof of purchase
 - returns
 - your own records (esp. credit card records)

4. Look at the receipt below- identify its parts:
